ALLERGIES OR COELIAC DISEASE?

Due to the small size of our kitchen at Hornsbury Mill, all 14 major allergens are present and our dishes are prepared in a shared, open space. We are therefore unable to strictly avoid cross-contamination and cannot guarantee that any dish is free from traces of allergens. We have a detailed matrix of ingredients for all our dishes. Please speak to a membr of our team abut your requirements before ordering so you can make an informed decision.
